For more than 110 years, Boys & Girls Clubs of Greater Kansas City has been inspiring kids to live out their dreams through affordable, accessible opportunities in the urban core.

With the help of generous supporters, more than 5,000 local kids get to experience the life opportunities every child deserves. We give them outlets to learn and grow, access to mentors and peers who care, and the chance to let loose and be a kid – all in a safe space.

Whether it allows them to attend a baseball game, see a private tutor, take art classes or go on a field trip, your support provides the enrichment and resources to help kids stay on the path to a brighter future.
